FOREWORD

The ALMANAC AND YEAR BOOK of the Reformed Church in the United States again greets the members and friends of our denomination with good cheer and good will, grateful that it is privileged to enter tens of thousands of the homes of our people, and hopeful that it may continue to succeed in its purpose of information and inspiration. No other publication has such a universal welcome in the families of the Reformed Church, and we cannot but express our appreciation that this book is so widely used. As before, we aim to provide, in brief form for busy folks, an accurate roster of the ministers, Boards, institutions and agencies of our Church, to note the outstanding happenings of the year, and to give such statistics as may be of most value to pastors and people. The issue succeeding the Triennial sessions of our highest ecclesiastical judicatory is always of especial interest; it is proper, therefore, that the meeting of General Synod held in the First Church of Philadelphia, Pa., in May, 1926, should be central in the 1927 year book.

We hope that the quite general observance of the 200th anniversary of the organization of our Church in America, which reached its culmination during 1926, has served to increase our zeal for the work of Christ's Kingdom in the days ahead, as well as to make us more thankful for the splendid devotion and heroic achievements of our forefathers. We are passing through eventful times of peculiar difficulty and danger, and we need the ever increasing consciousness that in and through the Reformed Church we can render to our day and generation a ministry of wonderful helpfulness, not only in America but throughout the world.

Among the more notable actions of General Synod we call attention to the following: (1) The creation of an *Executive Committee of General Synod*, to which have been committed the duties and functions formerly assigned to the United Missionary and Stewardship Committee, together with administrative duties of a unifying and promotional nature, as suggested by the Efficiency Commission. This Executive Committee is composed of the officers of General Synod (six), the former President of General Synod, one representative of each Board of General Synod (five), and four pastors and four laymen elected by General Synod, a total of twenty members. The first Executive Committee is constituted as follows: Allen

R. Bartholomew, D.D., Emory L. Coblenz, Esq., T. W. Hoernemann, J. Rauch Stein, D.D., F. W. Leich, D.D., Milton Warner, J. C. Leonard, D.D., Charles E. Schaeffer, D.D., William W. Anspach, Paul S. Leinbach, D.D., Eugene L. McLean, Theo. F. Herman, D.D., J. H. Mickley, D.D., E. G. Krampe, D.D., Hon. A. R. Brodbeck, E. F. Bloemker, William F. Kosman, Henri L. G. Kieffer, W. N. Frederick, and Gustav Widmann. This Committee was organized in June, 1926, with the election of Dr. A. R. Bartholomew as President, Dr. J. Rauch Stein as Stated Clerk, Elder Milton Warner as Treasurer, and Rev. William E. Lampe, Ph.D., as Executive Secretary.

(2) The budget adopted by General Synod includes \$517,699.50 for Foreign Missions; \$476,000 for Home Missions, with an additional \$20,000 for Catawba College through the Home Mission Board; \$60,000 for the Publication and Sunday School Board; \$116,650 for the Board of Ministerial Relief; \$8,600 for the Board of Christian Education; and \$5,000 for the American Bible Society. In addition to these amounts the sums of \$13,000 for Home Missions and \$56,894 for Foreign Missions are "commended to the congregations and friends of Kingdom work as sacred opportunities for their liberality."

(3) The period from September 28 to the second Sunday in November, 1926, was set apart as a special season in commemoration of the 100th anniversary of our organized Home Mission work.

(4) General Synod voted for a celebration in 1927 of the 175th anniversary of the beginning of the work of Ministerial Relief in the Reformed Church.

(5) General Synod took suitable action to observe the Centennial of the *Reformed Church Messenger* in 1927, and appointed a special committee to arrange for the same, to plan for the encouragement of gifts and increase the much needed endowment of the Church paper. The committee consists of Drs. S. H. Stein, H. L. G. Kieffer, I. M. Schaeffer, F. C. Seitz, H. Nevin Kerst and G. R. Poetter, and Elders W. W. Anspach, J. B. Kunz, U. H. Nuss and John E. Kunkel, Esq.

(6) Synod authorizes suitable recognition in February, 1927, of the completion of 50 years of Foreign Missionary activity and of the anniversary of Dr. Bartholomew, who has been General Secretary of the Board of Foreign Missions for 25 years and a member of the Board for 40 years.

(7) General Synod approved the plan for coöperation of the Publication and Sunday School Board and the Board of Christian Education, directing that steps should be taken looking towards the merger of these two Boards, and, if possible, that the plan for such a merger should be submitted to the next General Synod.

(8) The following Commission on Closer Union was constituted by General Synod: Drs. George W. Richards, C. E. Miller, A. E. Dahlmann, J. C. Leonard, A. R. Bartholomew, and Elders Emory L. Coblentz, Hon. D. J. Snyder, Hon. Harry D. Schaeffer, and E. H. Marcus.

(9) The new Liturgy, with the changes and corrections approved by General Synod, was sent down to the Churches for voluntary use.

(10) Dr. J. Rauch Stein, Stated Clerk, was made a full-time officer at a salary of \$3,500, and permission was given him to retain his work as Stated Clerk of the Eastern Synod.

(11) The following committee on Church Union was appointed: C. B. Schneder, C. B. Alspach, J. Stewart Hartman, J. K. Wetzel, J. M. G. Darms, V. J. Tingler, C. M. DeLong, F. W. Knatz, U. O. Silvius, E. M. Beck, Emory L. Coblentz, G. W. Pfaltzgraff, U. H. Nuss, F. A. Arner, Joseph W. Weaver.

(12) The Executive Secretary and Treasurer of the Forward Movement, Dr. J. H. Apple and Elder Harry E. Paisley, together with one representative of each Board, were constituted a Continuation Committee of the Forward Movement, and announcement was made that Treasurer Paisley will continue to receive payments on pledges and other gifts, which can be sent to him at the Schaff Building, Philadelphia.

(13) The Federal Council of the Churches of Christ in America was again most heartily commended. President George W. Richards was chosen as delegate to the Federal Council for the unexpired term of Dr. Rufus W. Miller, and Dr. William E. Lampe was elected to fill the unexpired term of Elder E. L. Coblentz, resigned.

(14) The question of admitting women to the Boards and Judicatories of the Church was postponed until the next General Synod.

(15) General Synod earnestly urges every congregation to set up the goal of "a Church paper in every Church home," and to assume the responsibility of getting the Church paper into every Church home, as congregations rather than through individual subscriptions.

(16) General Synod again expressed its sincere appreciation of the wonderful service of the Woman's Missionary Society, which has done so much to foster the aggressive work of our denomination.

(17) General Synod made special recognition of the fact that the loss of outstanding ministers and elders of our denomination during the past Triennium has been the greatest ever suffered by the Church in a similar period. A most impressive memorial service was held, and during the sessions frequent mention was made of the notable service of many of these brethren, including such great leaders of the Church as Drs. Rufus W. Miller and James I. Good.

(18) General Synod reiterated its endorsement of the 18th Amendment, and expressed its conviction that the fundamental laws on the statute books should be obeyed by all our members, and should be enforced by public officials for the good of our beloved land.

(19) Indianapolis, Ind., was chosen as the place for the next meeting of the General Synod, in May, 1929.

The splendid activity of our consecrated womanhood and the increasing number of our young people in attendance at the various summer schools, equipping themselves for leadership in our congregational work, are among the hopeful indications noted in parochial reports. In spite of the decreased Church attendance in many places, and the changing moral standards which have given no little concern to many of our religious leaders, our pastors and people are facing the future with a hopeful spirit, grateful for the measure of peace and good will which prevails in our denomination, and determined to render a good account of our stewardship. The denominational headquarters in the Schaff Building, Philadelphia, give daily demonstration of the growing activities in our Church life. Although some of the Classes continue to report a loss in membership, while others show a deplorably small net increase, there is no disposition to discount the earnestness and effective work which are being shown in many of our congregations. Our institutions of learning in Japan, China and Iraq, as well as in this country, have never been so well equipped nor had so large an attendance of young people. In the measure that we remain true to the history and genius of the Reformed Church, we shall continue to render a most useful service in the furtherance of the great tasks of the Kingdom.

THE FORWARD MOVEMENT

The Forward Movement of the Reformed Church in the United States, although closed as far as its promotional work is concerned, is of continuing importance. The great objectives of the Movement are as vital today as they were in 1919. We trust that the Forward Movement has prepared our Church for a great movement forward.

The Forward Movement Commission and the Executive Staff, who were charged with the responsibility of carrying out this united program, desire to make grateful acknowledgment of the fine coöperation of all the Boards and Institutions of our Church as well as of the thousands of the faithful pastors and loyal members of the Church. It was because of this splendid coöperation that the fine results were attained.

Even though the organization of the Forward Movement was dismantled on June 30, 1926, there are certain features of it that must be preserved and developed still more so long as the Church shall live.

The first and foremost is the spiritual aspect of this Movement. Perhaps the most important department in the organization of the Movement was that of Spiritual Resources. The department as such no longer functions, but the objective for which it stood is ever vital. The individual church member to do his best work must first, last and always develop his own spiritual life. The Church to do efficient work in the spreading and development of His Kingdom must always emphasize first and foremost the development of her spiritual resources.

The second feature of this united program that must be preserved and emphasized more and more is that of Christian Stewardship. The Forward Movement attempted to raise a large sum of money

for the various boards and educational institutions of our Church. Whilst it did not succeed in raising the whole amount asked for in the budget it has created a sense of stewardship such as was unknown before. To-day a larger number of members are willing to render service in the Church and our membership is contributing more liberally to the various benevolent causes. The subject of Stewardship is studied far more to-day than ever before. The Forward Movement has brought the Church to a place where this subject can and must be stressed still more. It has brought the familiar motto to our minds with greater emphasis: "Attempt great things for God. Expect great things from God."

The amount asked for in the united budget was \$10,847,425. Towards this budget \$6,400,000 was subscribed. Not all of these subscriptions have been paid. Thousands of members paid in full, a large number, because of circumstances over which they had no control, could not pay in full and another class because of indifference did not pay. Payment on pledges still continues. The books of the treasurer are open and will be kept open for an indefinite period of time, giving all such subscribers who were not able to pay in full the privilege to do so. The money will be credited and distributed on the same basis as during the five-year period of the Movement. The following is a statement of receipts as of June 30, 1926:

Total amount received on pledges.....	\$3,563,070.65
Total amount received through Coöperative Campaign.....	1,307,532.47
Grand total receipts.....	\$4,870,603.12

THE UNITED MISSIONARY AND STEWARDSHIP COMMITTEE

The Laymen's Missionary Movement of the Reformed Church had begun in 1910 to urge larger support for missions through the Every Member Canvass system, stressing the importance of every member giving every week for our missionary and benevolent work as well as for the current expenses of the congregation. In 1912 an effort was made to have a large number of our congregations inaugurate the Every Member Canvass system. To have charge of this campaign a "Simultaneous Every Member

Canvass Campaign Committee" was organized. This was an unofficial group representing all the Boards and agencies of the Church, and was largely financed by laymen. In 1913 many of the denominations conducted an interdenominational "United Missionary Campaign" whose primary purpose was the fuller introduction of the Every Member Canvass plan; our Reformed Church participated whole-heartedly in that campaign. In 1914 our General Synod was ready to incorporate this financial system into our

denominational work. As a denomination we were becoming somewhat interested in Stewardship, and therefore in constituting the Committee the General Synod named it "The United Missionary and Stewardship Committee."

During the first triennium the duties of the United Missionary and Stewardship Committee were largely financial. If every member would contribute every week even a comparatively small amount of money there would be no difficulty in financing our benevolent work. Although the sums asked were small, it was soon found that a large proportion of our congregations paid practically no attention to their Apportionments. In even our best congregations at least two thirds of the amounts contributed came from one third or less than one third of the membership, and those not the wealthier members. The task was to rouse every congregation to do its best by having every member do his full part. The natural unit is of course the congregation, but with nearly 2,000 congregations to deal with, some organization was necessary. Fortunately the Classical spirit is strong in the Reformed Church. In practically every Classis there are enough loyal, earnest pastors and laymen to serve on a Classical Missionary and Stewardship Committee. Such men, appointed by their Classis, stepped forward and, in a spirit of volunteer service, without any remuneration, and sometimes against criticism, became the leaders in their Classis. The Committee, having the authority of the Classis, appealed to every congregation to do its best. A most commendable spirit of determination to pay the Classical Apportionment in full became apparent. These Classical Committees and the congregations with whom they worked have become more and more aware of the fact that they share with the Boards responsibility for the advancement of the Kingdom of God.

To provide adequate financial support for the Kingdom work of the Church entrusted to the Boards it has been necessary to lay a broader, deeper foundation than was at first felt necessary. Moreover, the advancement of the Kingdom work must never be at the expense of the local work. On the contrary, the work of the congregation should be advanced and

the spirituality of the members deepened through their participation in the Kingdom work. Increasing attention has accordingly been given to Christian Stewardship and plans for promoting it in the congregations and among the members. There is not much Stewardship in the average Every Member Canvass, nor is a high standard of Stewardship expressed in the amounts contributed by the average member. We must rise to higher planes of giving and regard the Every Member Canvass and the regular contributions as only a starting point. We must strengthen our Church along many other lines.

At the close of the World War all of the denominations recognized the absolute necessity of putting on special campaigns to support the denominational work. The United Missionary and Stewardship Committee assisted in the preparations for the special meeting of the General Synod held at Altoona, Pa., in March, 1919, and submitted to the General Synod plans for a new era Campaign. The Committee was clear in its conviction that the regular work must be maintained, but that a great advance along many lines was necessary. The Committee had originally had in its membership a representative of the educational institutions, but General Synod had withdrawn that representative in 1917. A special commission, which included many members of the United Missionary and Stewardship Committee, was appointed, and this commission, representing all of the causes of the Church, conducted the Forward Movement which was officially ended with the meeting of the General Synod in 1926. The Forward Movement helped the Reformed Church to see the advantage of coöperative effort in promotional work.

The Efficiency Commission appointed by the General Synod in 1923 to study our denominational work recommended to the General Synod in 1926 the formation of an Executive Committee to continue all of the work previously done by the United Missionary and Stewardship Committee and to have some added duties and powers. After twelve years of active work, which greatly advanced the work of the denomination, the United Missionary and Stewardship Committee has been discontinued having been merged with the Executive Committee of General Synod.

O brother man, fold to thy heart thy brother;
Where pity is, the peace of God is there;
To worship rightly is to love each other,
Each smile a hymn, each kindly deed a prayer.

Follow with rev'rent steps the great example
Of Him whose holy work was "doing good";
So shall the wide earth seem our Father's temple,
Each loving life a psalm of gratitude.

THE EXECUTIVE COMMITTEE OF GENERAL SYNOD

The Church had been prepared for the formation of some new agency which would have all of the authority of the General Synod, and which would represent it in much of its work between its triennial meetings. Other denominations had preceded us in building up Executive Councils and similar agencies. When the General Synod of 1926 took up this matter, through the report of its Efficiency Commission, there were widely divergent views as to why an Executive Committee is needed. Some ministers and elders wanted an executive agency to have authority to do certain things while others wanted it in order that it might prevent somewhat similar things being done. After several days of frank discussion, the holders of these various views came to an almost unanimous decision that an Executive Committee was almost a necessity for our Church. There seems to be an almost universal desire for an Executive Committee, truly to represent the General Synod itself, which means the entire Reformed Church, in doing just what the General Synod would be doing in relation to any matter that may come up during the interim between the meetings of General Synod. The reservation should of course be made that this Executive Committee is not expected to initiate action, or to function instead of the General Synod in regard to any new matter except real emergencies.

The Executive Committee is to supervise the work of General Synod entrusted to its Stated Clerk and Treasurer and to exercise certain modified ecclesiastical functions. It is also to be the general promotional and inspirational agency of the Church. For this reason the United Missionary and Stewardship Committee was merged with the Executive Committee.

The General Synod provided for an Executive Committee of twenty members—the six officers of the General Synod, President, First and Second Vice-Presidents, Stated Clerk and Assistant Stated Clerk and Treasurer; the retiring President; four Pastors and four Elders chosen by ballot; and one member by each of the five Boards of General Synod. These men, named in the above order, are: Allen R. Bartholomew, Emory L. Coblentz, T. W. Hoernemann, J. Rauch Stein, F. W. Leich, Milton Warner, J. C. Leonard, J. H. Mickley, E. G. Krampe, Wm. F. Kosman, H. L. G. Kieffer, E. F. Bloemker, A. R. Brodbeck, W. N. Frederick, G. C. Widmann, Chas.

E. Schaeffer, Wm. W. Anspach, Paul S. Leinbach, Eugene L. McLean, T. F. Herman.

On June 29th the Executive Committee met to effect an organization and make plans for the work committed to it.

The officers of the General Synod were chosen as officers of the Executive Committee: President, Rev. Allen R. Bartholomew, D.D.; Vice-President, Emory L. Coblentz, Esq.; Stated Clerk, Rev. J. Rauch Stein, D.D.; Treasurer, Elder Milton Warner. For the office of Executive Secretary, Rev. William E. Lampe, Ph.D., was chosen.

It was not easy for the Committee to make definite plans and programs at its first meeting. That meeting was the recent General Synod in miniature. The actions taken by the General Synod were read and discussed during the entire day, and until late in the evening. The Church and General Synod may feel assured that it is properly and well represented in this Executive Committee. It was wisely determined that every member should give most earnest consideration to the matter of plans and future work until the second meeting, the main purpose of which should be to provide a detailed organization and formulate plans and programs.

The Executive Committee regards it its duty to consider and study the conditions and state of the progress of the whole Church, promote its spiritual life and morale, hold up before our people the ideals of the Kingdom of God, and bring them into vital touch with the dynamic power resident in the personality of Jesus Christ, the possession of which is so necessary for us as a denomination in endeavoring to do our utmost to translate the spirit of the Gospel into all phases of human life. To achieve these purposes, the Executive Committee wishes the President of the General Synod to appear in person or through representatives before Synods, Classes, congregations, or groups of congregations as frequently as possible, delivering inspirational addresses, counseling with consistories and congregations, and endeavoring in every possible way to further the spiritual life of the Church.

The Executive Committee feels it is the desire of the General Synod that the Reformed Church shall continue to coöperate on terms of mutual friendliness with other denominations and participate in all movements looking toward a closer unity of spirit and work with Protestant denominations. It therefore decided

that the President, the Executive Secretary, and the Stated Clerk shall represent it in all cases for which General Synod has made no other provision.

The Executive Committee believes that the General Synod desires that the work of the several Boards shall be coördinated to a greater degree and that

more time and attention shall be paid to the time and manner in which special appeals for funds are promulgated throughout the denomination, and all special and general interests of the Church be promoted with enthusiasm. The Executive Committee will therefore give these matters earnest and prayerful atten-

tion and take measures to coördinate the work of the Boards, determining the advisability and selecting the time for the making of special appeals and campaigns in behalf of any Board or cause of the Church.

It was very clearly the conviction of the General Synod that the results of the service of the United Missionary and Stewardship Committee should be conserved and that its work should be continued with vigor. The Executive Committee shall serve as a general bureau of finance, receive and adjust the Budgets of the Boards and submit them to the General Synod, promote the principles and practice of Christian Stewardship, coöperate with the Classes in apportioning the Budgets of the Boards, assist the Classes and congregations in securing the Budgets, stimulate in whatever way possible the spirit of giving, and in general continue the aggressive work of the former United Missionary and Stewardship Committee.

In accordance with the action of the General Synod, all the Classical Missionary and Stewardship Com-

mittees and the present organization all along the line will be continued. The transition in this phase of the work will hardly be noticeable, since practically the only change is that of the name of General Synod's agency. The Secretary of the United Missionary and Stewardship Committee became the Executive Secretary of the newly constituted Executive Committee.

A Conference of the Chairmen of the Classical Missionary and Stewardship Committees and a few other persons in official positions in the Church was held with the Executive Committee of General Synod in Salem Reformed Church, Harrisburg, Pa., on September 22d and 23d. These Classical Committees are active bodies promoting all of the work of the Church, and without them the work of the Church cannot succeed. The Executive Committee desires to be a medium of mutual helpfulness and to so unify and inspire our several judicatories, our pastors and people, that as a denomination we may grow in numbers, in spirituality and in power.

HOME MISSIONS

The year 1926 marked the 100th anniversary of the organized Home Mission work in the Reformed Church. Proper recognition of this historic event was made by devoting the period from September 28th to November 14th to an intensive study of and devotion to the cause of Home Missions. What marvelous progress has been made during the past 100 years! From a few struggling congregations along the Atlantic seaboard, the Reformed Church through its Home Missionary activities has expanded across the continent up into Canada and extended its helpfulness to many different nationalities who have cast their lot in America. The financial progress has likewise been remarkable. During the first 37 years, from the time of its organization to its reorganization under the General Synod in 1863, there was raised for Home Missions approximately \$50,000. During the last Triennium the Church laid upon the altar for this cause \$1,315,501. In the 100 years there has been a total of six and one half million dollars contributed for Home Missions.

A Fostering Mother

The Board of Home Missions from its very inception has been a fostering mother to every other in-

terest in the Church. The first Beneficiary Aid which the Synod appropriated for the education of young men for the ministry was taken out of the Home Mission treasury. Likewise, the first periodical publication emanated from the Board of Home Missions. This was called the *Religious and Missionary Magazine of the German Reformed Church*. This subsequently developed into the *Reformed Church Messenger*. Likewise, out of the mission

funds were paid the traveling expenses of delegates to meetings of sister denominations so that the interdenominational work for the denomination developed from our Home Mission base. Likewise, in 1838, the Board of Home Missions recommended the establishment of a Board of Foreign Missions. Later on the work of Evangelism, of Social Service, of the Country Church, even of assisting Catawba College were referred to the Board of Home Missions for support and direction. This greatly enlarged task requires a budget of half a million dollars annually. Most of this money is secured through the apportionment, some through the Church-building Funds, others from the contributions of the Woman's Missionary Society of General Synod. Some comes from Legacies, Annuities, Post Mortuary Notes. The people who support this work are a great host and see the need and the importance of the same.

Departments

The work of the Board is conducted under different Departments. First, the Department of the East which takes in the Missions in the German Synod of the East, the Eastern Synod, the Synod of the Potomac and the Pittsburgh Synod, in charge of Superintendent James M. Mullan. The Department of the Central West which covers the territory in the Ohio and the Mid-West Synods, in charge of Superintendent John C. Horning. The Department of the Northwest which covers the territory of the Northwest Synod stretching up into Canada and including our Indian Mission work is under the direction of Superintendent Theodore P. Bolliger. The Department of the Pacific Coast which takes in the whole territory west of the Rocky Mountains is in charge of Superintendent Edward F. Evemeyer. There is the Department of Country Life in charge of Mr. Ralph S. Adams and the Department of Evangelism. There is the Church-building Department in charge of Mr. Joseph S. Wise, who is also the Treasurer of the Board. The Board carries on its Social Service work through a Commission of which Rev. James M. Mullan is the Executive Secretary. The Board is doing an extensive work among foreign-speaking people in America, principally the Hungarians among which nationality we have 60 congregations. The Board is supporting a Missionary Education Department in coöperation with the Board of Foreign Missions which work is in charge of Dr. A. V. Casselman. It sustains vital relationship to the Executive Committee of the General Synod, also to the Home Missions Council and other denominational and in-

terdenominational bodies. At its annual meeting in July, 1926, the Board appointed a Field Secretary in the person of Rev. William F. DeLong, D.D., whose mission it is to present the different phases of Home Mission work out in the field and enlist the interest and support of individuals and congregations and Classes in behalf of this work. The Board is also supporting a number of Missionaries at Large, one among the Japanese on the Pacific Coast and several in the Synod of the Northwest and in Canada.

Church-building Funds

Church-building Funds were started by Superintendent A. C. Whitmer 40 year ago. There are now 1,016 Funds on record, aggregating \$711,844. These Funds have enabled the Board to assist Missions in the purchase of ground, the erection of Churches and Parsonages without which these Missions would be seriously handicapped in their work. The sum realized from the Forward Movement, which was \$670,113, was applied to the Church-building purposes and was a veritable God-send to our Missions.

Bonds for Sale

In the financing of its ever enlarging work, the Board believes that members of the Reformed Church and others of means would be glad to invest money with the Board. Prompted by this thought, the Board is offering for sale Serial Coupon Bonds in denominations of \$100; \$500; and \$1,000; at 5 per cent. interest. These Bonds are amply secured by valuable real estate and therefore offer a safe and suitable investment for persons who have money to invest.

How it Works

As an illustration of what congregations may do after they have been under the fostering care of the Board of Home Missions, we will cite three congregations that went to self-support last July. They are Christ Church, West Hazleton; Emmanuel, York; and Trinity, New Kensington. When these three

Missions came on the Board they had a combined membership of 168. When they went to self-support, they had 1,034. They cost the Board during the entire period of enrollment \$37,605, but they gave during the same period for benevolence about \$50,000. Similar facts could be produced in other of our mission churches, but these show what timely aid may accomplish.

The Future

With a century of Home Mission achievement behind us, we as a denomination should go earnestly and diligently into the future. Great issues are awaiting the leadership and the spiritual dynamic of the Church. The work of Home Missions continues to be the primary and fundamental task of the Church. Its program embraces the christianization of America and through America the winning of the whole world for Christ.

FOREIGN MISSIONS

The work of Foreign Missions is a venture of Faith. It rests on Hope. It continues in Love. The idea is divine. The realization is human. As we think of God we will act towards man.

Our Saviour outlined the sphere of Missions in

the words: "The field is the world." As we look upon this vast territory, we should feel an impelling urge to enter in and occupy for our Lord. There are only 30,000 missionaries at work among 1,200,000,000 people. How little Christians take account of the millions outside the fold of Christ!

That the present number of missionaries in our own fields is not adequate to the needs must be evident to all who have any knowledge of the work being done. Very little advance could be made, due to the depletion of our ranks caused by sickness and death. It is due our missionaries to say that in spite of all untoward conditions, they are working on in a state of quiet elation. They see the Kingdom of God coming.

Our missionaries in Japan and China do not assume an air of lordship over the people. They feel that they were not sent to rule but to help. One of our missionaries out of a rich experience writes: "The missionary who really succeeds is the quiet, patient, self-effacing person, who, as far as the native Christian is concerned, takes the attitude of an auxiliary." The aim of our workers is not to Ameri-

canize the Japanese and Chinese but to live the Christ-life among them until they learn to love and serve Him whom to know is Life Eternal. We need to think of the missionary enterprise in international terms and not as narrow American provincials.

Foreign missionary work is usually carried on along four lines of activity—Evangelistic, Educational, Medical and Charitable. 23 of our missionaries are in the Evangelistic work; 44 in Educational; 10 in Medical, and all in Charitable. There are many avenues to the human heart but the greatest of these is the Gospel of Love and Mercy.

There are at the present time about 10,000 foreign students in American colleges and universities. Here

is one of the greatest opportunities for Christian helpfulness. These students are preparing themselves for service in their homeland. When they leave America they will carry with them an ideal—an American ideal. Whether that shall be made up of material or Christian aspirations depends upon their associates. These students give us ten thousand opportunities to make "unofficial Christian missionaries." Many of them are homesick and lonely men and women who need friendship. They need to have someone sit down and talk with them, not to them.

A NEW VIEW OF THE ZIEMER MEMORIAL GIRLS' SCHOOL, YOCHOW, CHINA

Each year on the second Sunday in February, the work of Foreign Missions is being considered with greater interest by our Church, for the Foreign Mission Day Service and other literature issued by the Board help to inform the members and to inspire them to give more liberally for this growing work. *February 13 is the date in 1927.*

The visible benefits of the Forward Movement to our work on the foreign fields may be briefly told:

13 new missionary residences; 6 missionary residences rebuilt; 18 new chapels; 1 chapel rebuilt; 14 lots for chapels; 10 parsonages; 1 parsonage rebuilt; 9 primary school buildings; 2 woman's school buildings; Eastview School Building, China; Middle School Building, North Japan College; Business Office, Sendai, Japan; Office Building, China; Lot for Theological Seminary, Sendai, Japan. service, 33 in China, 24 in Japan and 3 in Mesopotamia. The list includes the wives whom the Board regards as missionaries.

The work abroad is an irresistibly expanding work. Every live missionary, evangelist, doctor, teacher, nurse, means more mission outposts and more patients and pupils to care for. Like the mustard seed and like the leaven in the meal, the work continues to grow for the life of God is in it. To cut the appropriations for this living, growing work affects our missionaries, almost like cutting off their own limbs, and some of them have sacrificed their own little savings and insurance policies rather than watch their loved work, on which they have spent years of toil and prayer, bleed to death. We know what anguish of soul the Board has caused our faithful workers by cutting down the annual budgets in Japan and China during the past five years.

JUNIOR CLASS IN THE AMERICAN SCHOOL OF THE UNITED MISSION AT BAGHDAD, IRAQ

Just 40 years ago, our Mission in Japan made Sendai its center of operation. This change of location was made by the leading of God through two young Christian men, Revs. Masayoshi Oshikawa and Kametaro Yoshida, the former stressing Christian education and the latter emphasizing direct evangelistic work. In this method of work these two earnest Japanese brethren were true to the spirit of our Reformed Church, for from the very beginning of our Church the people—whether in country or city—believed in religious education and in an educated ministry. Special anniversary services were held last October in honor of the founding of North Japan College, Miyagi College and the work of evangelism in the Tohoku. Dr. and Mrs. William E. Hoy, who were among the founders of the school work, were the special guests from our China Mission. Complying with the request of the Japan Mission, the Board of Foreign Missions last September

By special action of the General Synod taken at Philadelphia last May, the Synods, Classes and Congregations shall arrange for a "fitting observance of a triple anniversary during the year 1927." This year marks 25 years of service of Dr. Bartholomew as

Secretary and 40 years as a member of the Board of Foreign Missions, and approximately 50 years of active foreign missionary work by our Church. The General Synod urged that the members "lay upon God's altar an appropriately large offering in order to relieve the Board of all deficits."

The Board of Foreign Missions was among the first in our Church to offer Annuity Bonds to members and friends. There is no more profitable way to help the cause and the donors. Full information can be had by writing to the Secretary.

PUBLICATION AND SUNDAY-SCHOOL BOARD

LEADING EVENTS OF THE YEAR.

The outstanding event of the year was the meeting of General Synod and its actions in reference to the work of the Publication and Sunday-school Board. General Synod not only approved the forward-looking plans of the Board, but also granted an increase in budget from \$34,000 to \$60,000 annually, thus giving evidence that the Church has sensed the increasing importance of religious education in the local Church and the home, and the necessity of supplying the required leadership and helps. Among the new workers authorized by the budget is a Director of Leadership Training; a Director of Children's Work; and a Director of Adult Work, who may also serve as Director of Religious Education for Ohio Synod. These new leaders represent the minimum of increase in leadership if the Board is to meet adequately the needs of the local Church in the near future.

Another action of General Synod, of great, if not of greater, significance for religious education, was that looking to closer relationships between the Board of Christian Education and the Publication and Sunday-school Board. During the next three years these two Boards are to demonstrate, through actual coöperation in particular fields of religious education where their work touches shoulders, whether union of these Boards is necessary, or even possible or desirable. The experiment will be watched with keen interest by the entire Church. The courtship will determine whether marriage should take place, or the courtship cease.

The year has shown a growing interest, on the part of the colleges and theological seminaries, and a desire to adjust their work so as to furnish the Churches with the trained leadership in religious education so greatly needed.

The Birmingham Convention of the International Council of Religious Education showed marked progress in the conviction of the Protestant Church that religious education in the local Church must eventually compare favorably with the best educational work done in the public schools.

A notable gain for religious education was the decision of the Supreme Court of New York that local public school authorities may legally excuse school children for the purpose of attending Church

THE HOPE OF THE NEXT GENERATION

Schools of religious education. The decision will probably not be reversed by higher courts.

The importance of the pupil-centered, as over against the material-centered, approach to religious education made considerable progress during the year. Our own Church, through the Publication and Sunday-school Board's Commission on Weekday Religious Education, has made a notable contribution in this direction.

The requests for Directors of Religious Education have increased during the year. It is becoming more and more evident that this is too big a load for the minister of a large Church to carry, together with his many other duties. Smaller Churches also are beginning to see the necessity of coöperating in the support of such a leader for groups of Churches.

NEWLY-ELECTED MEMBERS
OF THE
PUBLICATION AND SUNDAY-
SCHOOL BOARD

The Philadelphia School of Christian Workers of the Presbyterian and Reformed Churches is steadily forging ahead. Under the present leadership it promises to become, more and more, a real school for the training of pastors' helpers in the local Church.

Another striking evidence of the awakened interest in religious education is the large number of Churches that are planning their buildings to meet the need of religious education in a serious way. The list of Churches of this type, which have been erected during the year, or are in the process of erection, would be a long one. A note of warning should be struck in this connection. The writer recently inspected two Churches just completed, costing \$150,000 and \$200,000 respectively, in which the architectural design represented the ideas of fifty years ago. This is an economic crime against the donors of the money, and a spiritual crime against the children of those Churches. Before you build, write the Publication and Sunday-school Board for counsel, or submit your first rough pencil sketch for criticism. It may save you much money and embarrassment.

The Work of the Children's Division has gone on in an encouraging manner. Very many schools have been helped in many ways. Children's Week steadily grows more popular. Missionary Education has been promoted and teacher training at Summer Schools is being appreciated more and more.

The Young People's work in the Churches has grown apace. A new sense of responsibility on the part of the young people of our denomination has been awakened and the practical help given to Societies and Church School classes is making itself felt in better programs and a larger service rendered.

Weekday Schools of Religious Education are rapidly increasing, while hundreds of Daily Vacation Bible Schools were held during the summer.

Three Summer Schools of Religious Education were held during the year, with increased interest on the part of the students. Cedar Crest, Bucknell and Dayton are the places where these important Schools were held. At Winona, we united with the Presbyterian School. Owing to the high type of the faculty of these Schools and the great service they may render the Church, a much larger enrollment should be secured. Every Church should avail itself of these opportunities to secure a higher type of leadership in their Church School.

Camp Harmony has been changed from the Summer School type, intended for students of normal school age, to the Camp Conference type, which is intended for students of High School age. These camps are exploration centers to which young people may be sent in preparation for the training received at the Summer School and in Community Training Schools. This type of training school is increasing rapidly and promises much good for the Church in the future.

**REORGANIZATION OF THE PUBLICATION
AND SUNDAY-SCHOOL BOARD'S WORK**

Following the lamented death of Dr. Rufus W. Miller, Executive Secretary of the Publication and Sunday-school Board since its beginning, a reorganization of the Board's work became necessary. Dr. Paul S. Leinbach was elected Acting Executive Secretary, Rev. A. S. Bromer Business Secretary and Dr. C. A. Hauser Educational Secretary.

THE BUSINESS DEPARTMENT, although facing the most trying year in the history of the Board, shows an encouraging balance on the right side of the ledger. The Schaff Building, which is under the supervision of the Business Department, was able to report practically the entire rental space occupied, or, to be

exact, only one half of one per cent. vacant. The mortgage obligations resting on the building have been met and in addition a substantial sum, \$30,000, has been paid off on the debt.

THE EDUCATIONAL DEPARTMENT also shows an encouraging growth during the year. The home-going of Dr. Miller has placed a larger measure of responsibility on the Educational Secretary and more definite distribution of responsibility on the other members of the Educational Staff. A reorganization was effected by the Board at its recent annual meeting, specifically defining the various fields of work to be carried on by the Board. These fields of work are to be administered by three specific groups to be known as the Educational Staff, Field Promotion Staff, and the Editorial Staff. Since the Educational Staff is vitally interested in the lesson materials used by the schools, its members are also represented on the Editorial Staff.

THE EDUCATIONAL STAFF at present consists of the Educational Secretary, Dr. C. A. Hauser; the Director of Research and Experimentation and Director of Weekday Religious Education, Dr. Charles Peters; the Director of Children's Work, Mrs. Margaret L. String; the Director of Young People's Work, Miss Catherine A. Miller. The work of Leadership Training has assumed such enlarged proportions that a Director, devoting his whole time, has become necessary. Such a Director has been called and Rev. Fred. D. Wentzel has accepted.

THE FIELD PROMOTION STAFF. This consists of the Board's various field workers, Rev. Wm. H. Knierim, Director of Religious Education for Midwest Synod; Dr. E. G. Krampe, Director for Northwest Synod, and Mrs. Anna L. Miller, Field Worker for Ohio. The Educational Secretary directs the work of the Field Promotion Staff and the Depart-

ment Specialists aid in the Field Work, at conferences, institutes, summer schools and in other similar ways.

THE EDITORIAL STAFF. This consists of the Educational Secretary, as Editor of the Board's Religious educational publications, the departmental specialists constituting the Educational Staff, and a corps of departmental editors and lesson writers as associates, who are called in from time to time for consultation and counsel. This group of workers is responsible for all the Sunday-school lesson periodicals, illustrated Sunday-school papers, texts for Weekday Religious Education and other educational literature used by our schools.

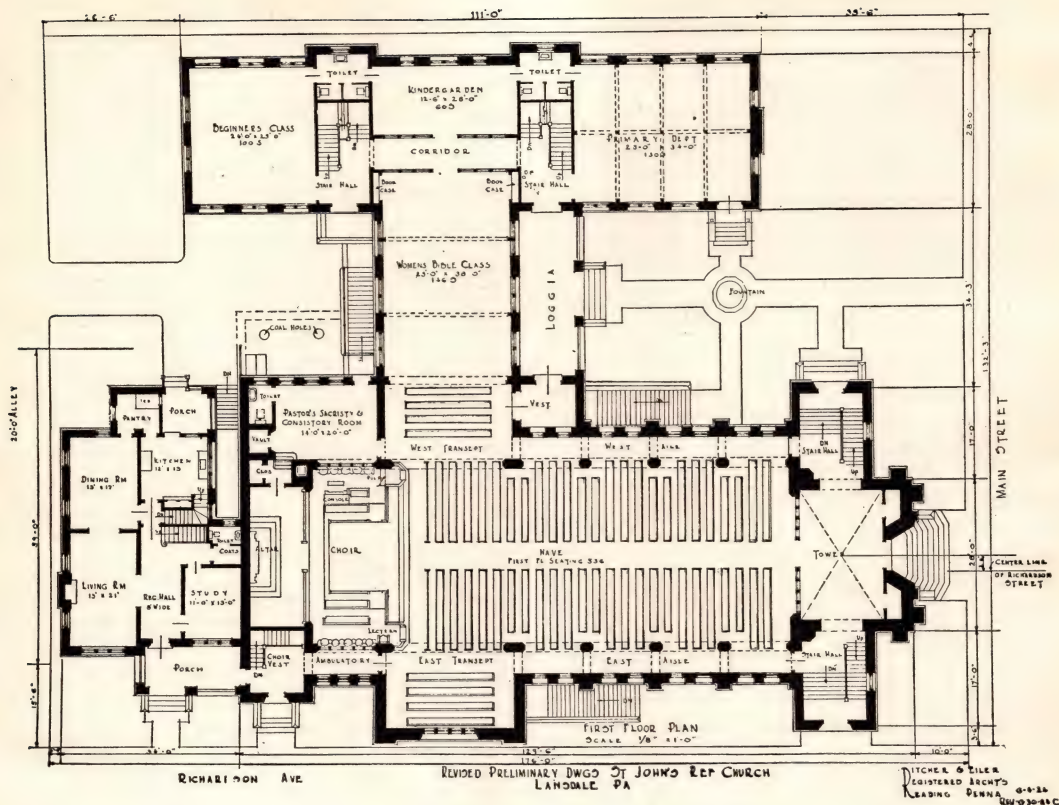

WEEKDAY RELIGIOUS EDUCATION AND EXPERIMENTATION

The efforts throughout the Church in enlarging upon Sunday-school work by conducting weekday sessions both in the vacation period and during the winter months are very encouraging. More careful thinking is being given to the whole program of religious education in the local Church because of this extensive summer vacation work and the possibilities of the winter weekday schools. The individual child is receiving more definite aid in the development of character by leaders in local Churches through this enlarged program than was the rule years ago.

It is difficult to cite figures at this time with regard to the number of Daily Vacation Bible Schools held last year or the total enrollment of children. We are glad to say that the motto "A Vacation School for every Church" is quite generally accepted. We also find that seldom is a Vacation School discontinued after this work has once been started. New

ST. JOHN'S CHURCH SCHOOL, LANSDALE, PA.

inquiries and announcements about starting Vacation Schools are being received constantly. There is hardly a Church which is not sending some children to a Vacation School to-day. The only exceptions are some isolated rural congregations which have not seen the advisability of offering intensive training in character building to children for four or five weeks during the summer months. Possibly there are more problems facing country Churches in offering this training to children through the summer period than are encountered by urban Churches. And yet rural Vacation Schools of Religious Education are increasing.

The most gratifying result from this intensive summer training program is the decided improvement in methods for training children and the preparation and selection of teachers. It is evident that when children attend this school for three hours each day in the week with the exception of Saturday the

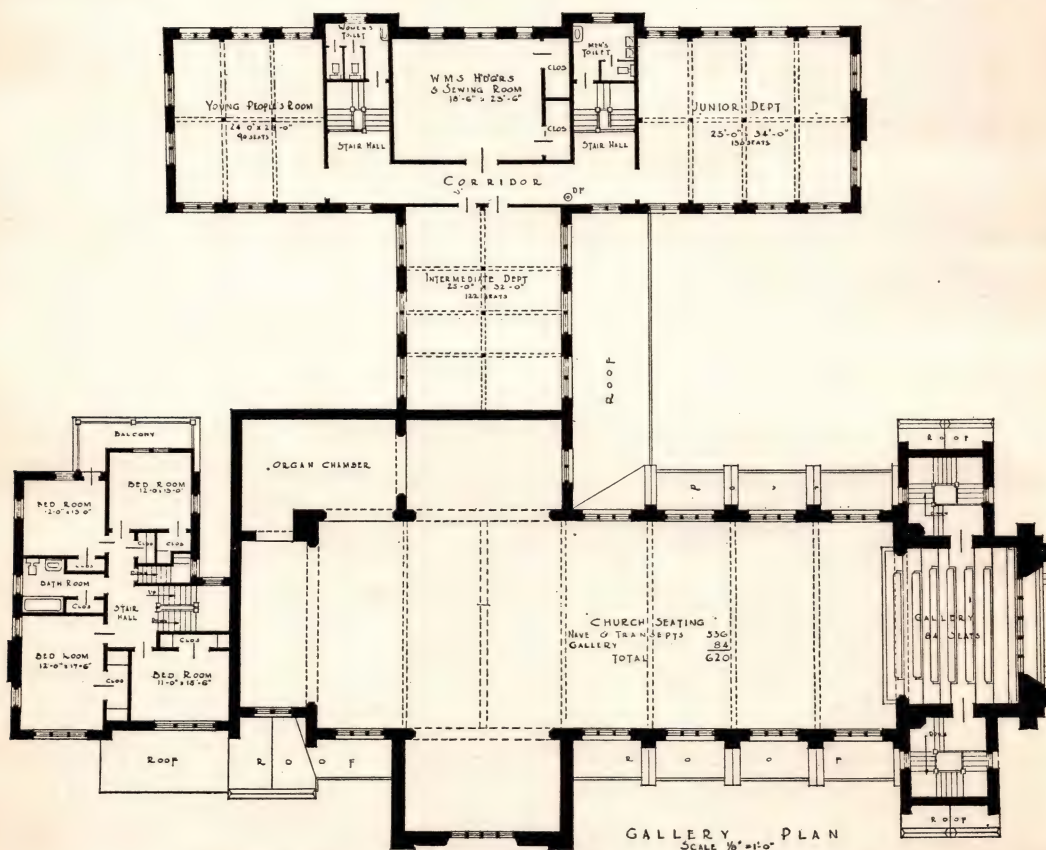

best methods must be employed and most fruitful material must be used in this work.

The promotion of weekday religious education during the winter months has been given extensive consideration by the Commission on Weekday Religious Education in charge of this work. After considering the results of experimenting with a program unrelated to Sunday instruction the Commission decided to gather results also in which the Sunday and weekday instruction were definitely related. These experiments were conducted under the most careful supervision at St. Peter's Church, Lancaster, Pa. There is no doubt in the minds of anyone acquainted with the results that a unified program of Sunday and weekday instruction is by far superior to the promotion of two distinct programs of religious education for Sunday and weekday periods respectively.

The Commission on Weekday Religious Education is definitely committed to the idea of extensive ex-

perimentation with various phases of educational work in the local Church. It is for this reason that this body recommended that a department of experimentation be established by the Publication and Sunday-school Board. The Director of Weekday Religious Education was requested to select some strategic centers to make an extensive study of the methods, materials, supervision and correlation of the educational work. During the past winter very fruitful experiments of this nature were conducted at Perkassie, Doylestown, Laureldale and Lancaster. The results of this work will form the basis for a more adequate and satisfactory program and the promotion of the same in the local Church. One of the outstanding features of this experimental work so far had to do with the selection and preparation of teachers for the best possible training of pupils.

There is no question that our efforts in promoting educational work along these new lines is meeting with general approval throughout the Church. In discussions in the Church papers of various phases of the educational work in the local Church by a large number of men and women in our Reformed Church we have been immensely gratified by the wholehearted response and unqualified approval of proceeding with our work in the most scientific way possible. The Reformed Church is face to face with a new educational era. It will require undaunted courage on the part of our constituency to move forward and capitalize this yearning for better religious training for the boys and girls of the coming generation.

ST. JOHN'S CHURCH, LANSDALE, PA., REV. A. N. SAYRES, PASTOR

THE CHILDREN'S DIVISION OF THE CHURCH SCHOOL

During the past year a newer emphasis has been placed on the work in the Cradle Roll Department. This department is no longer merely a record of babies' names and birthdays. It is a vital part of our educational system and connects the home and Church in a peculiar way. The Superintendent must plan for a class of Cradle-Roll children who attend the Beginners' Department, arrange for recognition on special occasions, such as Children's Day and Christmas, plan suitable exercises for Promotion on Rally Day, and assist in bringing the mothers of young children together. In fact the active superintendent will not consider her work finished until she has promoted the child to the Beginners' Department and secured the coöperation of the mother in some form of Church work.

An increasing number of Churches are holding quarterly meetings of parents and teachers, together discussing points of coöperation. Separate rooms for Beginners are being added to many of our Churches. When we read all the new books on "Worship" and its possibilities for this age, we are glad so many more schools will thus be able to share in its blessings.

Possibly the newest development in the Primary Department is a more appreciative use of dramatization as a form of expression. If wisely led, dramatization will secure and hold interest and make a lasting impression. We deem it wise to give our Juniors a share of both management and responsibility. Hence the Junior Cabinet.

More and more emphasis is being placed upon the use of the "Project" principle in teaching in the Children's Division. If we think of learning as "new experiences, and not merely the acquisition of ideas," we will welcome this opportunity to secure these experiences.

THE YOUNG PEOPLE'S DEPARTMENT

The last year has been one of exceptional interest in Young People's Work. Not only do statistical reports show an increasing growth in Young People's Societies but there is every indication that there is a growing tendency to think primarily in terms of the needs of the young people and to build the program of local organizations to meet those needs. More and more our local Churches are adopting the plan of correlating the young people's work of the various organizations through a young people's cabinet, and the Department of Young People's Work heartily endorses this plan.

It is thought that the report of the Organized Classes and the Organized Young People's Divisions has never been perfectly complete not only because of the failure of some pastors to report their organizations, but because the very form of the statistical report blank is not as definite as it might be. Revision will be made before the next year, so that more accurate figures can be given.

A number of new leaflets on various phases of young people's work have been prepared and all the standard leaflets carefully revised to conform with the newest developments in Religious Education.

One of the chief activities of this Department's

Work during the fall and winter will be the promotion of the organizations of Classical Young People's Leagues for the purpose of providing fellowship among Reformed Church young people, affording opportunity for the young people to learn the work of our Church, to realize its needs and to work unitedly to meet these needs, to develop the initiative of young people, and give opportunity to develop such leadership ability. The League will not attempt to replace Interdenominational gatherings for fellowship and inspiration, but is designed to give our young people wholesome denominational consciousness.

The department is making one venture on faith and publishing a new Hand Book of Methods in

Young People's Work, a concise but complete treatment of the methods of local Church young people's work, at the present time. This volume should be in every local church library and in the personal library of every leader of young people.

Not last in importance among the Department's achievements of the past year was the organization on July 5th of Young People's Work among the Hungarians. The organization was a spontaneous growth, arising out of the desire of our Hungarian Churches to organize their young people, and will probably be the means of greatly helping this large section of our constituency to advance in young people's work.

THE BOARD OF MINISTERIAL RELIEF

REV. WM. H.
BOLLMAN

NEWLY-ELECTED
MEMBER
OF THE
BOARD OF MINISTERIAL
RELIEF

The Board of Ministerial Relief has served the Church for 21 years. Our Church realizes that making adequate provision for our aged and disabled ministers is an absolute necessity and must have the support of both pastors and people.

Relief Department

In 1924 the Eastern Synod took steps to ascertain the amount of money needed to give our ministers over 60 years of age, and the widows of ministers, the same support that will accrue to those who are members of the Sustentation Department. This sum was found to be \$104,400 per year. The Eastern Synod by a unanimous vote overtured General Synod to grant this sum for the apportionment.

The General Synod received the overture and by a unanimous vote granted the request and added to it sufficient to cover the overhead and other expenses, making the amount \$116,650.

This action of our General Synod is a great encouragement to our older ministers. They realize that they will not be neglected when no longer able to serve a charge. The younger men know that while their salaries are not large the increased income in our Relief and Sustentation Departments will enable them to use their salaries to increase their own efficiency and become stronger and better preachers without anxious concern about the future.

An aged Christian with the snow of time on his head may remind us that those points of earth are whitest that are nearest heaven.—*Chapin*.

Sustentation Department

The Sustentation plan provides a pension on the basis of service rendered to every minister who becomes disabled through sickness, accident or age who will avail himself of its provisions during his active ministry. The pension to be continued to his widow and orphan children.

Every Reformed Minister in good and regular standing and every commissioned lay missionary, Home or Foreign, not over 60 years of age is entitled to the benefits of this fund provided application has been duly made on blanks provided for that purpose.

Eight hundred and sixty-four ministers and missionaries are now enrolled in this department. Since 1920 the fund has increased from \$5000 to over \$440,000. Our campaign for \$1,328,550 is making very commendable progress. It is the one great cause now claiming the attention of the entire Church. Are you doing your part?

Memorial Funds

Memorial funds of \$500 or more may be given by individuals, Sunday Schools or congregations in honor of a living or departed pastor, Sunday-school Superintendent, teacher or member of the Church or Sunday School. These funds bear the name of the donor. This is one of the finest forms of giving honor to whom honor is due.

Annuity Bonds

These Bonds are issued by the Board of Ministerial Relief to those who desire to help care for our aged ministers, but cannot give outright, because they need the income from their money. If you desire to help, you give us the money, any sum from \$100 up to \$500 or \$5000. We give you this annuity bond. We pay the interest to you, your wife or daughter, and after the interest is no longer needed in this way, it goes to provide for our aged ministers. We pay a better rate of interest than banks or Trust Companies. These bonds do not change in value. They are absolutely safe. You are sure of your income.

I venerate the man whose heart is warm,
Whose hands are pure, whose doctrine and whose life
Coincident, exhibit lucid proof

Newly-Elected Members of The Board of Christian Education

The Board of Christian Education was established in 1923. It consists of fifteen members elected by the General Synod, and of three advisory members appointed by the Woman's Missionary Society of General Synod. Every Synod of our Church and our educational institutions are duly represented on this Board. The officers of the Board are Prof. Theo. F. Herman, D.D., President; Prof. F. W. Leich, D.D., Vice-President; Dr. J. M. G. Darms, Secretary; Prof. Alpha A. Diefenderfer, Treasurer. The other members are Revs. Henry I. Stahr, D.D.; Scott R. Wagner, D.D.; H. L. Krause; Henry Gekeler, D.D.; W. A. Alspach; Carl H. Gramm, D.D.; Paul Grosshuesch; Professors H. M. J. Klein, Ph.D.; Francis W. Kennedy; President Geo. L. Omwake, Ph.D.; Elder Geo. B. Smith. The advisory members are Mrs. Irvin W. Hendricks, Mrs. B. B. Krammes, and Mrs. Frederick Stienecker.

"Christian Education" is a broad term. It has many phases and it touches various spheres of life. Its center is the Christian home and, from the home, its interests branch out into the Church School, the institutions of higher learning maintained by the Church, and into our public school system from the lowest grade to the highest. These are the agencies that build character. And the chief aim of Christian Education is to build temples of manhood and womanhood whose cornerstone is Jesus Christ.

In our Church this broad educational field is covered by two boards. The older one, the Publication and Sunday-school Board, serves the needs of local

churches in their various educational activities in the Church School, in the home, and in Young People's Societies. Then the Board of Christian Education was organized. Its prescribed and limited sphere of labor lay within the institutions of higher learning of our Church ranging from academies to theological seminaries and among our Reformed youth in high schools and other tax-supported institutions of learning.

During the first triennium of its existence the Board of Christian Education has endeavored to carry on its work faithfully within its restricted sphere, and it has found a task greatly worth while for the extension of God's kingdom. But, at the same time, it found that its work was so intimately related to the interests and activities of the Publication and Sunday-school Board that, for the good of the great cause, close fellowship between these two Boards seemed to be advisable.

It is a matter of congratulation, therefore, that General Synod, at its recent meeting in Philadelphia has set up a new milestone on the road towards a system of Religious Education that shall be consistent, coherent, and complete. It did not seem to be practicable, at this time, to merge these two Boards. Each of them, therefore, will continue to perform its own functions for the present. But General Synod instructed them to enter into a close coöperation during the next triennium and it also definitely set the goal of their organic unification at the earliest possible moment.

THE SUMMER MISSIONARY CONFERENCES

SUMMER MISSIONARY CONFERENCE, MISSION HOUSE,
PLYMOUTH, WIS.

The religious life is incomplete if it is not missionary-minded. Inherent in the missionary message is the completeness of the Gospel. A generation of missionary-minded leaders must be trained if the Church is to serve as it should in the new day that is upon us. If the cause of Missions is to make its best contribution to the spiritual life of the Church and the individual Christian, its prosecution must rest on a sound educational basis. All too frequently it has been a matter of promotion exclusively, from

the standpoint of some work to be immediately accomplished or some organization to be sufficiently supported. Ultimately this method of procedure defeats the very purpose for which it was inaugurated. It is largely because of this method that the Church has failed to raise up generations of intelligent, world-visioned Christians, earnestly devoted to the establishment of God's kingdom on earth, and loyally and progressively supporting the Church in all its work at home and abroad. The Summer Missionary Conferences are organized to rectify this failure of the past and to secure the desired result for the oncoming generation.

Under the auspices of the Department of Missionary Education, Rev. A. V. Casselman, D.D., Secretary, nine Conferences were held last year during the months of July, August and September, as follows:

Bethany Park, Indianapolis, Ind.	July 5 to July 11
Hood College, Frederick, Md.	July 12 to July 18
Catawba College, Salisbury, N. C.	July 17 to July 30
Kiskiminetas Academy, Saltsburg, Pa.	July 19 to July 25
Heidelberg University, Tiffin, Ohio	July 24 to July 30
Theological Seminary, Lancaster, Pa.	July 31 to Aug. 6
Ursinus College, Collegeville, Pa.	Aug. 9 to Aug. 15
Mission House, Plymouth, Wis.	Aug. 16 to Aug. 22
Massanutten Academy, Woodstock, Va.	Sept. 3 to Sept. 5

These Conferences were attended by about two thousand interested delegates, the great majority of whom were young people. No one can estimate the

SUMMER MISSIONARY CONFERENCE, LANCASTER, PA.

influence for good upon the Church this year which will come to the congregations through the lives of these young people.

Some of the more easily recognized results of the Summer Missionary Conference in the lives of the young people who attend them may be summed up as follows: It stimulates faith to see the glorious things that are being wrought on the mission fields at home and abroad. It opens up anew the present power of the Holy Scriptures. It trains in purposeful prayer. It is an incentive to increased and intelligent benevolence. It gives indisputable evidence that Christianity succeeds when it is given a real chance. It broadens the horizon of the life of those who study. It awakens and deepens the sympathies. It leads to an appreciation of the universality of the Christian religion. It enables one to appreciate the inestimable value of Christ in our life and to learn what conditions and lives are like where He is unknown. It reveals as nothing else the fact that the power of the Scriptures and the Christ are the same to-day as they were in the days of the Apostles. It compels one to clarify and certify his own religious convictions. It reveals the significance of current events and their relation to

the Kingdom of God. It is an incentive to young men and women to organize and order their lives with reference to the Kingdom of God.

In 1909, Bethany received a boy from Shamokin, Pa. The Orphans' Home gave him a fair education and cultivated in him good morals and gentle manners. He responded with appreciation and thus developed a fine character and an attractive personality.

Through the *Messenger*, the boy's promising future became known to the Church. A godly woman read the Bethany letter, visited the Home, conferred with the Superintendent, saw the boy and decided to

educate him for the ministry. His picture is given herewith. Thanks be to God!

ST. PAUL'S ORPHANS' HOME

GREENVILLE, PA.

Rev. A. M. Keifer, D.D., Supt.

Last year there were 111 children under the care of St. Paul's Orphans' Home; of these 22 were sent out and 22 received, leaving on the last day of the year 89. All of these children were worthy of the blessings and privileges of the Home.

Those who were sent out during the year were either returned to their friends or placed where they could continue school work or engage in some useful occupation. The picture in this year's ALMANAC shows a group of our children who left the Home in recent years. They are promising young people. The picture was taken on Anniversary Day, 1926.

FORMER CHILDREN ON A VISIT, ST. PAUL'S

THE FT. WAYNE ORPHANS' HOME

FORT WAYNE, IND.

Rev. J. F. Tapy, Supt.

The Ft. Wayne Orphans' Home of the Reformed Church, located just outside the city of Ft. Wayne, Ind., is at the present time caring for 106 children. Two have reached the age of dismissal (18 years) this year, and four more will come to that age before the year closes. Last year seven attended the High School in the city of Ft. Wayne. This year 9 will enjoy that privilege. Our baby cottage with 25 beds is full. If others come for this department some of the older children will have to be transferred to some of the other buildings. With thanks to the Church for her thoughts of our family throughout the year, we solicit her continued co-operation and support. Our comfort and happiness hinges upon your liberality.

THE GEORGE W. & AGNES HOFFMAN ORPHANAGE

LITTLETOWN, PENNSYLVANIA

Rev. Sidney S. Smith, Superintendent

The outstanding events in the life of Hoffman during 1926 were the completion of the cement road

NEW CENTRAL HEATING PLANT AND MECHANICAL BUILDING, HOFFMAN

and high-powered electric line. Both of these utilities have been needed for years but were not available. The road conditions at certain seasons of the year were impassable and the problem of securing supplies difficult. A sixteen-foot cement road was finished this fall, running from the Gettysburg-Littletown road to the Hoffman west entrance, a distance of almost three miles. This road was built by the united effort of the State, County, Township and Hoffman Orphanage. The electric plant which has been in use for twelve years was no longer able

to carry the burden of furnishing light. The high-powered electric line was extended to the Home which will also help to solve many of our problems. Our share in securing these two utilities cost us about \$20,000. We are still in need of donations towards this fund.

We are continually caring for more children and each day the applicants increase. We therefore solicit the coöperation and support of the Church in caring for these children who are applying for admission.

NAZARETH ORPHANS' HOME

ROCKWELL, N. C.

Rev. W. H. McNairy, Supt.

Our Home for orphan children in the Southland continues to grow in usefulness. Located in the lovely Piedmont section of North Carolina, it rejoices in the fine addition to its equipment in the completion of a beautiful new building. This building is not as yet completely furnished, but we are sure the friends of the fatherless and motherless little ones will not forget them in their prayers and gifts. The new Frigidaire which came through the generosity of friends is a real blessing to the Home. An assistant matron is now needed. The Twentieth Anniversary on August 5th was largely attended.

PHOEBE HOME BUILDINGS

The building to the right was erected in 1911. The one in the center is to be erected next.

This Home for aged and infirm was founded in 1903 jointly by the three Classes of East Pennsylvania, Lehigh, and Tohickon. Its property consists of one city block of ground containing about three acres, a large three-story brick residence, a gardener's residence and greenhouse, and the old folks building, a large three-story granite structure with a capacity of thirty guests.

In January, 1926, the three Classes gave this institution to the Eastern Synod. The operations of the Home are now in the care of nineteen Trustees; each of Synod's thirteen Classes has at least one representative on this Board.

The Synod with much larger constituency aims to do this work on a larger scale. The new Trustees have already acquired ground adjacent to the Home grounds, bringing the total to five acres.

This institution has hitherto been supported almost entirely by voluntary contributions from individuals and churches.

Quite a few legacies have been received. These

were placed into the Endowment Fund, which now totals over \$40,000. Many more of these are needed and the Endowment should be brought to at least five times its present amount as soon as possible.

Mothers' Day has been designated by the Synod as the one occasion when churches and Sunday Schools are to make annual offerings for the maintenance of the Home. The responses of the churches for the last three years would indicate that all the parishes will soon participate in these offerings.

The Auxiliary was organized to help to provide funds for maintenance. This has been very helpful. Membership fee is \$1.00 and the annual dues are \$1.00. There should be Auxiliary members in each congregation of the Synod. Those who make a Mothers' Day offering of \$1.00 may be enrolled as members of this body.

The Home has two pressing needs: Another building to house aged persons. An infirmary. Will some one present a memorial?

Young Women of the Reformed Church!

Your Church needs you! The great world calls for the life service of trained Christian workers. Through the open doors of this Reformed School, you can go forth into a wide field of the noblest, happiest usefulness earth knows. No other profession so blesses men and glorifies God.

Not the small fields, but the great tasks call for Pastors' Assistants, Religious Education Directors, Deaconesses, Settlement Workers, and Missionaries. Your presence is needed in the strategic centers where great things are doing.

Where will you invest your life? Where else can you make it count so powerfully for Christ and His Kingdom?

For nineteen years national leaders, the best in Philadelphia, on the Bible, Religious Education, Church History and Doctrine, and every form of

modern Christian work, have been training our choicest young women. Every one of them, to-day, occupies a position of honor and influence. We cannot answer the calls. Will you help?

Tuition, board, laundry, etc., \$400; scholarships available; no one turned away for lack of money; High School and College graduates accepted; recommended by the last General Synod, both for students and new endowment. Where will your dollars earn such large dividends for God, as when invested in a young life which is going to give forty or fifty years to upbuilding the Church?

Pastors and parents, tell your young women of the wide open door. Send for catalogue and information. Give us the names of likely candidates. Give us the money to train them. We need \$10,000 for the James I. Good Memorial Fund.

OBITUARIES

BECKER, REV. AUGUST CHARLES, long-time manager of Central Publishing House, Cleveland, O., and for the last 8 years its Superintendent of Publications, died June 13, 1926, at the age of 85 years. He was born in Elberfeld, Germany, Feb. 13, 1841, coming to New York at the age of 12. He was married June 21, 1866, to Augusta Ballhorn. It was his dying mother's wish that he prepare for the gospel ministry, but his preparation in the infant Mission House was interrupted by the Civil War. Mr. Becker responded to President Lincoln's call for volunteers and was wounded at Petersburg. Returning from the army, he completed his preparation and was ordained as a minister of the gospel Feb. 6, 1872. Throat trouble compelled him to give up this form of Christian service, and he was almost ready to be registered as a physician when a call came to serve the Church through Central Publishing House. As he had been faithful in the two pastorates he served at Waukegan, Ill., and New Berlin, Wis., so now he proved his loyalty and fidelity as the successor of Dr. Ruetenik, and the humble plant on Scranton Road, Cleveland, was soon succeeded by the splendid plant on W. 25th St. During his 44 years of service to the Church he made many warm friends. For more than 4 decades he was a regular attendant in Fourth Church in Cleveland, where the funeral services were held June 15, in charge of Rev. E. A. Kielsmeier. Drs. F. W. Leich and J. H. Stepler preached the sermons.

BEISSER, REV. FREDERICK WILLIAM, was born at Bremen, Germany, Dec. 14, 1872, and died May 28, 1926, in Plymouth, Wis. He came to America with the Rev. Gottlieb Beisser, of Spencerville, O., later removing with him to Elmore, Wis. In the fall of 1894 he entered the Mission House, graduating from the College in 1900, and from the Seminary in 1903. He served Salem Church, Plymouth, Wis., as student supply, later becoming its regular pastor, laboring devotedly for 23 years. In Aug., 1903, he was married to Miss Emelia Heyer, of Franklin, Wis. He is survived by the widow and 6 children. He was for years a trustee of Ft. Wayne Orphans' Home, and deeply interested in the work of the Mission House. The funeral was conducted on Memorial Day and almost 2 score ministers were among the many friends in attendance.

CLOUSER, REV. WILLIAM W., was born June 25, 1842, in Berks Co., Pa., and died Dec. 8, 1925, at Whitewater, Pa., aged 83 years, 5 months, 18 days. After teaching school for 15 terms, Mr. Clouser went to Mercersburg in 1867, graduating in 1870. He was installed as pastor of the Whitewater Charge in October, 1870, and served faithfully for 23 years. After he retired from the pastorate, he frequently supplied pulpits there and elsewhere and was loved and trusted by all the people of his community. For 28 years he served as school director. On Jan. 22, 1874, he was married to Mary Jane Gemberling, who died several years ago. Three children, Elsie R., and Minnie A., at home, and Augustine I., of Youngstown, O., survive. A number of his ministerial brethren took part in the funeral service in the Whitewater Church, and interment was made at Watertown, Pa.

ENGELMANN, REV. GEORGE, was born in Mosel, near Sheboygan, Wis., and died April 5, 1926, at the age of 69 years, 10 months and 6 days. During the Civil War his father served in the army and it fell to him as the eldest son to help his mother on the farm. He later followed the carpenter's trade, and then attended the Mission House. He was ordained to the Christian ministry in 1883. He served Churches at Potter, Wis., Rising Sun and Auburn, Ind. For 2½ years he had to retire because of an accident. Then for 9 years he served St. John's Church, Holgate, O. While serving as manager of the Mission House he suffered a stroke of paralysis. For almost a year he was bedfast. Funeral services were held at the home at Napoleon, O., and in Holgate, with interment at Holgate Cemetery.

HINKE, REV. WILLIAM HENRY CHRISTIAN, was born March 12, 1841, at Giershofen, Germany, and died Mar. 1, 1926, at the Home for the Aged, Lawndale, Pa., aged 85 years. As a young man he learned the trade of his father, a linen weaver, and pursued it until 1866, when he was drafted as a soldier in the war with Austria. Due to his hardships, his health was undermined. He entered the Deacons Home at Duersburg, where he studied and practiced nursing. In 1868 he was married to Maria L. Haag, a union blessed with 7 children, 4 of whom died in infancy. In 1870-71 he served again in the Franco-Prussian War, receiving medals for bravery. Shortly after he entered the services of the Evangelical Society for the Spread of Christian Literature as colporteur and city missionary. He immigrated to America in 1890, settling in the neighborhood of Harrisburg, Pa. He began holding religious services at Middletown and Royalton, where his wife died June 4, 1895. After 10 years' service he entered the Home at Lawndale in August, 1901, as house-father, but held this position only for a short time. In Feb., 1903, he was licensed and in June ordained to the ministry by German Philadelphia Classis. He served in Rockville, Mo., until March, 1905, and for 6 years in Stamford and Ottenheim, Ky., and for 4 years at Florence, Ind. In 1915 he became chaplain of the Lawndale Home, frequently assisting in supplying other pulpits. He is survived by 3 children: Rev. Prof. William J. Hinke, of Auburn Theological Seminary, John Hinke, of New Cumberland, Pa., and Mrs. E. E. Rickert, of Juniata, Pa. Perhaps the greatest interest of his long and useful life was the cause of missions, for which he rendered a great service.

INGLE, REV. JOHN, was born Sept. 7, 1835, in Guilford Co., N. C., and died June 23, 1926, at Blowing Rock, N. C., aged 90 years, 9 months, 16 days. Although his educational advantages were meagre, he prepared for the ministry under the instruction of his pastor, the late Dr. G. W. Welker. He was licensed May 25, 1863, and ordained May 23, 1864. For several years he engaged in field work and then served West Rowan Charge 1867-74; assistant to Dr. Welker in Guilford Charge, 1874-78; pastor Central Rowan Charge, 1878-83; pastor Blowing Rock Mission, 1883-90. For the remainder of his life he continued to hold religious services throughout a wide section of country in the beautiful Blue Ridge Mountains, and was loved and esteemed by

hundreds. When General Synod met in Hickory in 1923, it was a great joy to meet this Nestor and to have him make a brief address to the Synod at Blowing Rock. The funeral was conducted at Mt. Zion Church, China Grove, N. C., by Rev. J. H. Keller, and interment made at that place.

KUENTZEL, REV. WILLIAM G., was born in Pomerania, Germany, and died at Beaver Dam, Wis., Feb. 17, 1926, aged 88 years, 5 months and 9 days. After teaching for a number of years in his native land, he came to America at the age of 30 and attended the Mission House. Ordained to the holy ministry in 1868, he served charges at Lorrain, Ill., Lowell, Wis., and Juneau, Wis. Compelled by the infirmities of age to retire from the active ministry, he resided with a daughter since 1913. He was married to Caroline A. Kaeding, who died in 1907. Of their 3 children, only one survives—Mrs. M. L. Lueck. Rev. Roland Kuentzel, of Monticello, Ia., is a grandson. The funeral was held at St. Stephen's Church, Juneau.

LADY, REV. DAVID BRAINARD, D.D., was born at Cashion, Pa., Jan. 28, 1847, and died Aug. 2, 1926, at Arendtsville, Pa. He was educated in the public schools, the Gitt Select School, Pennsylvania College, Gettysburg, and Franklin & Marshall College, Lancaster, from which he graduated in 1869. Graduating from Lancaster Seminary in 1872, he was licensed by Zion's Classis and ordained July 14, 1872, by Westmoreland Classis. He served the following pastorates: Mt. Pleasant, Pa., Charge, 5 years, 9 months; Brush Creek, Pa., Charge, 6 years; Newcastle, Pa., 1 year; Curllsville Creek, 9 years, 2 months; Shenango Charge, 6 years, 6 months; New Kensington, Pa., Mission, 3 years, 3 months; Duquesne, Pa., Mission, 6 years, 9 months. After supplying Grace Church, Washington, D. C., for 3 months and the American Church in Berlin, Germany, for several months, he again served as pastor at Yukon, Pa., 3 years, supplied at McKeesport 7½ months; supply at Trinity, Wilkinsburg, 2½ months; co-pastor with Dr. E. S. Bromer at First Church, Greensburg, 14 months; supply of Youngstown Charge 2 months; Christ Church, Altoona, 3½ months; Amity Church, Meyersdale, several months. In addition to his remarkable pastoral labors, Dr. Lady was quite a traveler and was a prolific writer, contributing many articles to the publications of our Church. He was on the staff of the *Messenger* as Synodical Editor for 15 years. In 1917, at the direction of Pittsburgh Synod, he prepared a history of St. Paul's Orphans' Home, and in 1920 a history of Pittsburgh Synod. Few in our Church were better known in the meetings of Classis and Synod, and Dr. Lady frequently served on various committees and on various boards and agencies of the Church. He was a member of the Board of Visitors of Lancaster Seminary for a quarter of a century, as well as of the Publication and Sunday School Board, and the Board of Managers of St. Paul's Orphans' Home. A fire which destroyed his home a few years ago also consumed his personal records. Therefore statistics of his remarkable service are not available. Dr. Lady was twice married—on Mar. 31, 1871, to Sarah E. Overcash, who died in 1903; and on Oct. 19, 1920, to Margaret May Rowe, of New Kensington, Pa., who survives. The funeral and interment was held in Arendtsville, Pa., on Aug. 5, in charge of Rev. M. E. Ness. His death marked

the passing of one of the most familiar and faithful figures in our denominational life.

LENTZ, REV. EDWIN WARNER, JR., son of Rev. Dr. and Mrs. E. W. Lentz, was born Mar. 31, 1900, at Royersford, Pa., and died Oct. 22, 1925. After his graduation from Ursinus College and Central Theological Seminary, he was appointed missionary to Mesopotamia by the Board of Foreign Missions. He and his young bride, Persis Schramm, set sail Aug. 27, for their new and untried field of labor. Due to political unrest in the Near East, they were compelled to remain over in London for 6 weeks. On Oct. 13, permission was given them to continue their journey, and they expected to reach Baghdad before the end of the month. By some mysterious mishap Mr. Lentz met instant death in a motor accident, Oct. 22, on the Mount of Olives in the City of Jerusalem. His body rests in a grave near the place where Jesus gave the promise, "He that believeth in Me shall never die."

LICHLITER, REV. WILLIAM F., was born Mar. 14, 1844, in Woodstock, Va., and died in Lancaster, Pa., Jan. 30, 1926. He graduated from Mercersburg College and Lancaster Seminary and was ordained to the ministry in 1875, becoming pastor of Grace Church, Wyoming, Del. For several years he served at First Church, Allegheny, Pa., and was for one year Principal of Harmony Collegiate Institute, Harmony, Pa. He then became pastor of St. Luke's Church, Lancaster, Pa., where he served 43 years and 4 months, and became pastor emeritus several years before his death. Mr. Lichliter was a faithful pastor, and for many years served, also, as secretary of Eastern Synod's Board of Education. Under his ministry St. Luke's Church and Sunday School enjoyed a solid and substantial growth, and the pastor was especially known for his good works among the poor, the sick and the unfortunate. Rev. Mr. Lichliter was never married, and is survived by 2 brothers, J. H. Lichliter, Esq., Lancaster, and Dr. D. C. Lichliter, of Dayton, O., and one sister, Mrs. Rev. George A. In 1917 he became pastor of Durham Charge in Tohickon Classis, where he remained until his retirement from the active ministry. He was the son of Elder Thomas T. and Emma (Meixell) Miller. Confirmed in First Church, Easton, and graduated from Lafayette College, 1883. Attended Union Theological Seminary 1883-84; graduated from Lancaster Theological Seminary, 1886; received degree of Doctor of Divinity from Heidelberg University, 1902, and Lafayette College, 1907; was ordained Sept., 1886, and installed as associate pastor to Rev. Dr. Charles F. McCauley of Second Church, Reading. On May 9, 1888, he was married to Katherine, daughter of Dr. McCauley. In 1892 he accepted the pastorate at Hummelstown, Pa., serving until 1894, when he was chosen the first secretary of the Sunday School Board. He was founder of the Brotherhood of Andrew and Philip, and of Pocono Pines Assembly, and one of the founders of many other important movements. From the beginning he was one of the foremost figures in the Federal Council of Churches, serving on its Administrative and Executive Committees, and was for 4 years 1st Vice-Pres. of the Executive Committee and Chairman of the Commission on Temperance. He was a member of the International Council of Religious Education, a trustee of the United Society of Christian Endeavor, government delegate to the International Congress on Alcoholism, in Milan, Italy, and Gen. Sec. of the Philip Schaff Memorial Committee, through which he achieved the monumental task of erecting the magnificent 13-story Schaff Building. Among other positions of trust and honor held by Dr. Miller are the following: Pres. Pennsylvania Bible Society, member of the International S. S. Executive Committee, Vice-Pres. and Director of the Parkway Trust Co., delegate to the World's S. S. Convention in Tokyo, Japan, Alliance of Reformed Churches at Cardiff, Wales, and Conference on Life and Work at Stockholm, Sweden; author of *Primary and Junior Hymnal Standard Songs*, *Treasured Hymns*, *The Master Among Men*, *Daily Devotions*, numerous review articles and booklets; and editorial supervisor of 30 periodicals. He was deeply interested in practically every denominational and interdenominational movement for world betterment. Dr. Miller's first wife died April 3, 1919; he was married July 16, 1924, to Mrs. Minnie W. Gross, who survives. He is also survived by 3 children, Dr. Hugh McCauley Miller, Mrs. Emma L. Waygood and Mrs. Frances Scott; also by 5 grandchildren, 2 sisters and 1 brother. When he assumed the leadership of our Sunday School work, the total membership was 162,000; in 1925 it was 339,000. His tireless and consecrated energy, his constant championship of the little children who were ever closest to his heart, his great organizing and executive ability, his self-control and serenity under the pressure of opposition and trying circumstances, and his delightful Christian family life combined to make him one of the notable leaders of his day and generation; and few, if any, have served the Reformed Church in so many capacities. Dr. Miller served as President of the Eastern Synod, and in many other positions of honor and usefulness. He was stricken with cerebral hemorrhage while on his way to the meeting of the Alliance of Reformed Churches in Wales, and was brought back to America on Aug. 2, but gradually became weaker until his home-going on Oct. 11. The funeral services were held Oct. 14, in First Church, Philadelphia, and Oct. 15 in First Church, Easton, in charge of

the respective pastors, Revs. H. B. Kerschner and J. N. LeVan. Interment was made at the Easton Cemetery.

MOYER, REV. JOHN F., D.D., was born at Hummelstown, Pa., and died May 13, 1926, in Reading, Pa., at the age of 64. At the age of 15 he began teaching in the public schools. He prepared for the holy ministry at Franklin and Marshall Academy, Franklin and Marshall College and Lancaster Theological Seminary, graduating in 1888. On Sept. 2, 1896, he was married to Miss Engeline C. Cantieny, who survives, together with one daughter, Katherine L., who was formerly one of our missionaries in Japan. The sudden death of another daughter, Miss Dorothy, just a week previous to Dr. Nau's, undoubtedly hastened his own home-going, although his health had been failing for some time. The funeral services were conducted in Grace Church, Pittsburgh, on Dec. 31, with Dr. H. N. Bassler in charge. Interment was made at Lima, O. Dr. Nau was a scholar in the pulpit, and whatever he did was characterized by mature thought. The degree of Doctor of Divinity was conferred upon him by Franklin and Marshall College.

Robb, of the faculty of the Taneytown, Md., High School; also by 3 brothers, Jacob Robb, Howard, Pa.; Peter Robb, Lock Haven, Pa.; and Dr. George D. Robb, Principal of the Altoona High School. The funeral was held from the home of Rev. David Dunn, in Harrisburg, in charge of Rev. H. N. Bassler, D.D. Interment was made in Turbotville, Pa. In his passing the Reformed Church lost another of her most loyal and distinguished sons, who literally wore himself out in the service of his Master.

ROMEIS, REV. SIGMUND, of Chloe, Mo., died Feb. 26, 1926. The funeral service was conducted at Pearl City, Ill., on Mar. 2. This good brother is survived by his wife and 5 children. We regret that no account of his life and labors has been received.

SCHER, REV. GEORGE A., D.D., died Nov. 5, 1925, in Philadelphia, at the age of 77. Born in Germany, he came in early life to America; was educated in Ursinus College, graduating in 1876, and giving 50 years of active service in the Christian ministry. He was the founder of St. Mark's Church, Philadelphia, and grew up with it as the one and only Church he ever served, daily proving his administrative qualities and rich pastoral traits. He was married to Rebecca, daughter of Rev. Dr. Nicholas Geehr. She entered into rest 8 years ago. He is survived by 2 sons and 3 daughters. Among his ministerial brethren he was admired and beloved as a Nestor. In the community he was a father to all, and in his Church a beloved counselor and friend. The funeral service in St. Mark's Church was conducted by Dr. A. E. Dahlmann.

SMITH, REV. JONATHAN E., D.D., was born April 4, 1850, in Lehigh Co., Pa., and died in Bath, Pa., Dec. 2, 1925. He was educated in Keystone State Normal School, Bethlehem Academy and Ursinus College. He afterwards taught in Northwestern University and in the schools of Lehigh Co., Pa. He later returned to Ursinus and completed his theological training. On May 12, 1886, he married Maria E. Bartholomew, who passed away Jan. 16, 1890. He received the degree of Doctor of Divinity from Ursinus College in 1901. Dr. Smith always resided in Bath, and served for years as a school director. He was an able pulpiteer and a beloved pastor, universally esteemed in the community in which he served for 48 years. Funeral services were held at the home of his nephew, F. H. Held, in Allentown, with Dr. W. F. Curtis in charge, and in Christ Church, Bath, with Dr. W. U. Helfrich in charge.

SOUDERS, REV. DAVID AARON, D.D., was born in Reading, Pa., Jan. 8, 1856, and died in Irwin, Pa., Dec. 11, 1925. In July, 1904, the Home Mission Board elected him Supt. of the Pittsburgh and Ohio Synods. He had been for years President of the Board of Missions of Pittsburgh Synod, and was therefore well prepared for the important task assigned to him. During more recent years he became Secretary of Immigration Work, and endeared himself greatly to the missions and missionaries. His book, *The Magyars in America*, published by Doran in 1922, was a helpful contribution to the religious literature of our country in its understanding of the Hungarian problem. He was united in marriage to Miss Jane N. Remsburg, of Irwin, who survives with 2 sons, David Paul and Carlton Remsburg. Funeral services were held in the First Church on Dec. 14, and interment was made in Irwin Union Cemetery. REV. D. A. SOUDERS, D.D.

REV. S. C. STOVER

REV. G. VON GRUENINGEN

REV. H. H. WIANT

STOVER, REV. SAMUEL CHARLES, was born at Farmers Mills, Pa., July 21, 1859, and died Dec. 23, 1925, very suddenly while on his way home from a Christmas service in St. Paul's Church of the Zion's Charge, aged 66 years, 5 months and 2 days. He graduated from Franklin & Marshall College in 1885, and from the Lancaster Theological Seminary in 1888, his ministry extending, therefore, over a period of more than 38 years. He served the following charges: Dunning's Creek, Pa.; Paradise Charge, Pa.; Wilhelm Charge, Boalsburg Charge, Pa.; and finally Zion's Church, in Somerset Classis, upon which work he entered June 8, 1924, after serving at Boalsburg for 14 years. His first wife was a daughter of the late Mr. and Mrs. John Koontz, of Berlin, Pa., who died some years ago. He is survived by his second wife, Mrs. Katherine A. Stover, formerly of Boalsburg, and 2 sons by his first marriage, John K. and Elwood H. Stover. The funeral was conducted Christmas Day in charge of Rev. D. S. Stephan,

and interment was made on Dec. 26, at Boalsburg, Pa. Rev. Mr. Stover was a faithful and earnest pastor and was noted for his amiable disposition and high devotion to duty.

VON GRUENINGEN, REV. GUSTAV, was born Aug. 26, 1880, at Sauk City, Wis., and died June 23, 1926, at his home in Altadena, Calif. After serving as pastor in the First Church, Cleveland, O., he went to California in 1914. Since Feb. 1, 1920, he has been pastor of the First Church of Los Angeles, and labored indefatigably to make this one of the influential Christian congregations in southern California. Although a sufferer for some years from heart trouble, he kept in intimate contact with his work and was making plans for a building program at the time of his death. He is survived by his widow and 2 daughters, Lenore and Ruth; also by 1 brother and 3 sisters. The funeral was held June 26, in Pasadena, Calif., in charge of Rev. M. M. Noacker. Interment was made in Mountain View Cemetery, Pasadena.

WIANT, REV. HENRY HARBAUGH, was born Feb. 17, 1876, in Lancaster, Pa., the son of Rev. and Mrs. J. F. Wiant. He prepared for the holy ministry at Palatinate College, Franklin & Marshall College, from which he graduated in 1898, and the Lancaster Theological Seminary, graduating in 1901. He was licensed and ordained by St. Paul's Classis and installed in 1901 as pastor of the Cochran, Pa., Charge, where he served until 1904, when he became pastor of Zion's Charge, Berlin, Pa., where he labored with marked success until 1917. He was then called to St. Mark's Memorial Church, Pittsburgh, where he served effectively and took an active part in civic affairs, being honored with the presidency of the Pittsburgh Ministerial Association and the presidency of Pittsburgh Synod. In 1924 he resigned his pastorate to become chaplain of the Western Penitentiary. This work greatly appealed to him, and in a short time he endeared himself to the unfortunate and neglected men to whom he ministered with such sympathy and fidelity. Both officers and prisoners in the Penitentiary gave many manifestations of their profound grief when Rev. Mr. Wiant was stricken with the illness which terminated with his death on Good Friday, April 2, 1926. The funeral was conducted in Greenville, at the home of his two sisters, on April 5, in charge of Rev. J. Grant Walter. Interment was made in Shenango Valley Cemetery, Greenville.

For all the saints who from their labors rest,
Who Thee, by faith, before the world confessed,
Thy name, O Jesus, be forever blest.

Thou wast their Rock, their Fortress, and their Might;
Thou, Lord, their Captain in the well-fought fight;
Thou, in the darkness drear, their one true Light.

O blest communion, fellowship divine!
We feebly struggle, they in glory shine;
Yet all are one in Thee, for all are Thine.

The golden evening brightens in the west;
Soon, soon to faithful warriors cometh rest;
Sweet is the calm of Paradise the blest

Life Annuity Bonds

If you are living on your income and will in all likelihood never have to spend the principal, why not make a perfectly safe investment at a fair rate of interest by taking a Life Annuity Bond? You will receive the interest as long as you live and the Board will have the use of the money at once.

Write to the Secretary of the Board you are interested in. He will explain the plan to you.

REGISTER OF MINISTERS, 1927

In accordance with the action of General Synod of 1926, the year of ordination is omitted from the Register of Ministers.

THEOLOGICAL SEMINARY

of the Reformed Church in the United States

Founded at Carlisle, March, 1825

LANCASTER, PA.

This School of Theology, the oldest educational institution of the Reformed Church, is conducted under the direction of three English Synods: The Eastern Synod, the Pittsburgh Synod and the Synod of the Potomac.

Its financial affairs are managed by a Board of Trustees, consisting of eighteen laymen. Instruction and discipline are subject to the authority of a Board of Visitors, consisting of twelve ministers. The Visitors and Trustees are chosen from the ministers and laymen of the three Synods.

The Course of Instruction embraces three years and includes all the branches of a complete education for the Christian ministry.

A fine Dormitory and Refectory were recently added to the equipment, in which room and board may be had at reasonable rates.

The Seminary year begins on the second Thursday of September.

in all sizes, types and styles of binding are obtainable wherever Bibles are sold.

FREE BOOKLET

A charming 36-page booklet entitled "The Wonderful Story," published at 10c per copy, telling how the Bible came down through the ages, and containing many facts of vital interest, will be sent FREE on request to anyone mentioning the Reformed Church Almanac.

Taking Thought

Did the Great Teacher really say, in Matthew 6:34, as former versions of Scripture have it, that we are to *take no thought for the morrow*? Or was the injunction as the American Standard version has it, that we *be not therefore anxious for the morrow*? In the light of all His matchless teachings, and on the authority of the more accurate translations found only in the American Standard Bible, how much more comforting it is to *be not anxious* than simply to *take no thought*!

Let your daily reading, therefore, be inspired and your meditation uplifted, by the marvelously beautiful and supremely accurate

Keeping Faith for Three Centuries

Ever since Sebastian Kilgen built the first pipe organ which bore his name, Kilgen Organs have been living up to their inspiring task of providing stately melody for religious services.

A will to keep faith with Faith went into that first Kilgen, built in Durlach, Germany, in 1640. During almost three centuries of fine craftsmanship it has not been lost. . . . Today it is a distinctive element of every instrument built in the world's largest pipe organ guild.

Services in the First Reformed Church, Grand Rapids, Iowa, and in scores of other Reformed churches, are attended by the inspiring tones of Kilgen Pipe Organs. . . . If you would have all that is beautiful and dependable in religious music, confer with Kilgen architects. Your inquiry is made without obligation.

How to Use the System

Begin by presenting every scholar with the No. 0 celluloid pin. For every term of three months' un-interrupted attendance the pupil earns a reward. For the first term the No. 1 pin; for the second the No. 2 pin; for the third the No. 3x pin; for the fourth the No. 6 pin. Thirteen consecutive Sundays may be considered as three months. Pupils absent without a satisfactory excuse lose the interrupted term, but may begin a new term the next Sunday they attend, continuing to wear the pin already earned.

Each pin obtained is to be worn until the next higher grade is earned, but surrendered upon receiving the new one. The No. 6 solid gold pin is presented outright, and with it a handsome lithographed certificate, 9 x 11 inches, with seal and ribbon attached (for framing). For each additional reward earned another seal and ribbon is attached. These certificates are free to schools. Send for sample.

The System pays for itself by increased offerings as evidenced by numerous testimonials, and may be started successfully at any time. This has been repeatedly proven by actual results.

What 135 years mean to you

TIME weakens an individual but strengthens an institution. This is definitely and importantly true of insurance organizations.

In selecting an insurance policy remember that a policy protected by 135 years of company history is a double safeguard.

The Insurance Company of North America, "The Oldest American Fire and Marine Insurance Company," puts behind its every policy a record of 135 years of met obligations.

In Colonial Days this company protected the commerce and the homes of Americans. Today it offers its long history as proof of its certain strength. A North America policy is a wise protection.
